22 Priscilla Circle,
Wellesley Hills, Massachusetts

Dear Mr. Lenk:

We have checked our records and find that the Wellesley Amateur Radio Society was affiliated November 20, 1951, and that mail has been going to Mark C. M. Bentley, K1IOG, 378 Weston Rd., Wellesley, since 1961. We'll see that a new mailing stencil bearing your name as secretary is made out immediately so that you will receive all club mailings.

Your affiliation remains good, except that in about three weeks we'll be mailing you a copy of the new club information (survey) form. Return of this form is required annually to keep in the active file, and the Board requires that annual reports show at least 51 per cent of the voting members within your club membership as ARRL members and 51 per cent of your club members as licensed amateurs to warrant continued affiliation. The attached mimeograph covers the matter of group membership entries through affiliated clubs.

Best wishes for successful meetings and activities in 1965.

Sincerely yours,

Lillian M. Salter, W1ZJE,
Administrative Aide
